I agree with Linda; especially since  is coming and he has specific issues related to PADEP work at the site.

Thanks,
Steve

That makes sense. I can invite the state to attend in person. But also note that even though PADEP is indeed the lead the request from the Riverkeeper and Leach's office was directly to EPA since they wanted a different audience other than the state.

Hello there,

Please see the attached control as an FYI. Please note that this individual will be accompanying the Riverkeeper to the meeting scheduled for next Thursday. In case you haven't been following the email thread from the Riverkeeper regarding this meeting...she will be participating in person (R3 office) along with two other guests:

Maya Van Rossum Riverkeeper Network

Ex. 6 Personal Privacy (PP) (see attached letter)

Pete Goodman, Head of Valley Forge Trout Unlimited

Please note that M.P. Tomei from State Senator Daylin Leach's office will NOT be participating due to a schedule conflict
